ZOHL Web Services provides a diverse portfolio of digital platforms designed to address various community, professional, and consumer needs. This suite encompasses tools for e-learning creation (EDSENTRAL), charitable crowdfunding (Fundtogive.com), freelance gig networking (GET FREN), and job placement (mykerjaya.com). Furthermore, it offers specialized consumer services like a localized laundry app (LaundroBot) and a Halal e-commerce marketplace (MHaS), while simultaneously fostering public discourse, transparency, and accountability through its feedback and media platforms, KRiTiK and MyPOV.com.my.
