

OFFICE MANAGEMENT for CONSTRUCTION INDUSTRY

systematic and efficient way of managing your main office & site office

CIDB

www.zohlgroup.com

COURSE CODE: NT-AS-09

LEVEL: Basic

LANGUAGE: Bahasa & English

INTRODUCTION

To manage an office effectively (be it main office or project site office) you need to first manage yourself, and then manage your time, tasks, and others in order to achieve maximum success. This course will help increase your motivation and confidence through understanding of principles and best practices of successful office management.

You will learn to prioritise, plan, and solve problems not just to get your work done on time, but to have continuous improvement in productivity. You will learn to communicate more confidently in public, meetings, and with all levels of staff and key project stakeholders, including managing difficult behaviours. Finally you will gain self management skills which will help you to cope with stress, keep a 'can do' positive attitude, and enjoy your job each day no matter what the challenges are.

OBJECTIVES

At the end of this training, the participants will be able to:

- Learn what is required of you to support your project team and project manager more effectively
- Learn how to effectively provide administrative support for projects
- Learn how to manage and organise small events and meetings
- Learn how to effectively manage, source and negotiate with customers, suppliers and sub-contractors
- Learn how to handle confrontation and difficult situations with all project stakeholders
- Learn how to plan and prioritise your workload so as to support project team

COURSE FEATURES

This course will feature:

- Best practices for managing your daily responsibilities to achieve maximum output and success.
- Best practices for streamlining your workflow and office environment (main office and project site office).
- Best practices for communicating effectively and assertively at all levels, especially, with staff at project management office
- Best practices for releasing your personal potential, increasing self-discipline & self-awareness.
- Best practices for creative thinking, problem solving, planning, and decision making.

COURSE DURATION

2 days (9am—5pm) | Tea Breaks: 10:30am & 3:30pm. | Lunch: 1:00pm-2:00pm | **Note:** Please contact our office for Training Date or visit our website for details
