COURSE CODE: H-MG-03

LEVEL: Basic to Intermediate

LANGUAGE: English

OVERVIEW

Can you **demonstrate your value** and ROI to your boss? Are you able to **interpret financial reports** and make decisions based on the data they provide? Can you draft an accurate budget? Can you **justify your ideas** in dollars and cents? You didn't get to this point in your career only to be held back by weak financial skills. This program for non-financial managers makes the basics of finance accessible to anyone in just 2 days.

OBJECTIVES

- To introduce fundamental bookkeeping and accounting concepts to course participants to enable them to manage the financial aspects of their role more effectively.
- To review the different approaches taken in the public and private sector
- To make sense of key financial statements and some key ratios
- To enable participants to manage financial aspects of projects more effectively
- To participate more knowledgeably in the budgeting process.

COURSE DURATION

2 days (9am—5pm).

Tea Breaks: 10:30am & 3:30pm.

Lunch: 1:00pm-2:00pm

Note: Please contact our office for Training Date or visit our website for details

METHODOLOGY

The course will be interactive and practical with learning methods to suit every kind of learning preference. There will be activities in groups and pairs as well as individual exercises and everyone will get an opportunity to discuss their work challenges in a supportive environment. There will also be opportunity to practice assertive communication skills through role play and to present a presentation towards the end of the program.
